WHY CONSIDER THIS PROJECT

Why consider this project

- Como Residences offers only 76 homes in a 71-storey tower, with private pools and one or two residences per floor. The range from two-bedroom apartments to large sky penthouses serves a narrow luxury segment on Palm Jumeirah.
- The matching live page gives an approximate entry price only for two-bedroom apartments and does not publish sizes or a payment schedule. Confirm current inventory, exact specifications, payment terms and service charges before proceeding.
