Choosing a payment option

Standard apartment plans offer discounts of 5%, 10% or 15%, depending on the down payment. Alternative plans leave 70% or 80% payable at handover. Three-month investor offers provide a 30% discount for one-bedroom apartments and 40% for two-bedroom apartments on eligible units. Retail has separate standard and investor options. Remington Properties can obtain a written schedule for the selected unit, including the net price, instalment dates and balance at handover.

A collection of 60 apartments and three retail units gives Époque a defined scale within Meydan Horizon. Several down-payment options and handover-balance plans let buyers compare cash requirements. Remington Properties can compare available homes by layout, view, net price after discounts and payment dates against the buyer’s intended use.
