EMAAR

Grand Bleu Tower by Emaar and Elie Saab at Emaar Beachfront

Grand Bleu Tower brings Elie Saab-designed interiors to Emaar Beachfront. The two-tower project includes one- to three-bedroom apartments and four-bedroom penthouses above a retail podium, with private beach access and wide sea views.

PROJECT OVERVIEW

Grand Bleu Tower combines Art Deco-influenced architecture with interiors designed in collaboration with Elie Saab. Two towers rise above a retail podium with boutiques and cafes, while floor-to-ceiling windows and terraces frame views across the Arabian Gulf and Dubai Marina skyline.
