LOCATION AND CONNECTIVITY

Meydan, Dubai

Mercedes-Benz Places is planned for Meydan, a lower-density master-planned district with access to Downtown Dubai, DIFC, Business Bay and Sheikh Zayed Road. Meydan Racecourse is within the wider area, and the tower is positioned for views towards the Downtown skyline and Burj Khalifa.

WHY CONSIDER THIS PROJECT

Why consider this project

- The project combines freehold ownership, a globally recognised design brand and a limited collection of large suites and penthouses. Meydan provides access to the city centre while retaining the scale and lower density of a master-planned district.
- The matching live page lists the payment plan, handover date and prices as unannounced. Confirm the formal sales release, exact specification, price and contractual milestones before making a reservation.
