PROJECT OVERVIEW

The World Islands is an offshore archipelago arranged in the outline of a world map. Its setting offers open-water outlooks and separation from mainland traffic, with everyday mainland access dependent on marine transport. Services and facilities vary between islands.

AMENITIES

Amenities

Beach club (planned)

Lagoon pool (planned)

Infinity pool (planned)

Private marina (planned)

Fitness and wellness spaces (planned)

Children's play areas (planned)

Residents' lounge and co-working space (planned)

Floating restaurant (planned)

LOCATION AND CONNECTIVITY

The World Islands, Dubai

A yacht shuttle to the mainland is planned. For school and work journeys, consider the marine crossing together with the onward road journey; schedules and operating arrangements remain subject to confirmation.

WHY CONSIDER THIS PROJECT

Why consider this project

- Samana Collecta offers an island setting with apartment and villa choices, planned beaches and a private marina. Floating and tree villas provide distinct alternatives to the apartment collection. Remington Properties will compare available homes, prices and purchase terms against your budget and intended use as details are released.
